AROUND the CLUB

Thanks to Dick McMahon for all his time and effort to bring our membership up to date with the addition of more than 30 new members.

Special thanks to Tim Hill who recently raised \$163.00 for the club by running a raffle for items he personally donated.

Thanks to Nubby Martin for donating over 100 hunting videos to the club for use in our fund raising efforts.

Thanks to Jerry Snuffer for cleaning and storing all the trap screens.

A reminder to all members and guests that each cup of coffee is 25 cents! We will not provide coffee any more if you don't start paying for it!

MEMBERSHIP

The club sends best wishes to Dave Bouldry for a speedy recovery from a recent illness. The members also wish to pass on their condolences to Peter Gregory whose wife recently passed away.

SCHOLARSHIPS

The membership voted to award \$500.00 scholarships to two East Bridgewater students who will be going to college to study fields related to our environment. The recipients are Megan Young who will be studying to become a vet and Brandon VanWormer who will be studying marine biology.

BATHROOMS

A major upgrade to our bathroom facilities is in progress and should be completed soon. We apologize for any inconvenience while the work is underway.

INDOOR PISTOL

A reminder that we have reinstated the ban on all types of jacketed and semi-jacketed ammo and high power loads on the indoor pistol range until we can work out resolutions to some issues. The new Monday night .22lr indoor pistol league is going strong from 6 to 9 pm every Monday night. Come on down and give it a try, it is open for every level of shooter.

SENIORS DINNER

The tentative date for this year's East Bridgewater senior citizens roast beef dinner is Saturday, August 20. We will provide additional details as they become available.

CLUB AUDIT

Everett Hanson volunteered to do the club audit this year. Results will be presented to the directors and members in August and September, when the audit is completed.

ARCHERY

Ed Souza passed along his thanks to John Fabroski and Ken Kelley for all their help on the outdoor archery range.

Ed also mentioned he is getting prices for materials to bring our indoor range up to date with other ranges by adding a second row of targets. This will be discussed at the next meeting.

Respectfully,
Tim Santry
