#### KIDS FISHING DERBY

It's time to thank all those members and friends who showed up to help out with the Kid's Fishing Derby. The kids all had a great time and their parents were very appreciative for the efforts the club members put forth to show their kids a good time. All the kids got new T-Shirts and were awarded fishing rods and reels or tackle box prizes and we even have some left over for next year's fishing derby. The first place trophy for largest fish went to Eva Roderick, second to Jake Souza and third to Tyler Zablocki. The next ten largest fish won Dick's Sporting Goods gift certificates for Mackenzie Fernandez, Andrew Pepe, Robert Neas, Mathew Zablocki, Aly Badavas, Michael Souza, Joshua Holmes, Evan Dearn, Brian Souza and Mathew Busch.

Thanks to Sandy Rogers and Jeff Sampson who co-chaired the committee for the derby. Thank you to all the other many members who helped out with all the other jobs needed to make this a success for the kids: John Fabroski, Dave Feight, Art Cabral, George Braddock, Jerry Snuffer, Joe McLaughlin, Lorna and Mike Vasapollo, Alyana Badavas, George Gowland, Mike DiBlasio, Al Rohnstrom, Bob Phillips, Stave Petluck, Larry Winger, Jerry Hartman, Bill Ewell, Ed Lowe, Ray Lizotte, John DiLoretto, Maryann Diloretto, Kevin Provost, George Andrews, John Brennan, Dan McNevin and Rick Newcomb.

#### SENIORS ROAST BEEF DINNER

The club is making plans to host our annual dinner we provide for the senior citizens of East Bridgewater. This year we will be serving a free roast beef dinner for the residents of East Bridgewater senior citizens housing. It will be held on Saturday, August 16<sup>th</sup> at 12:00 noon at the clubhouse, watch the club bulletin board for details. Anyone who can help should just show up at the clubhouse Saturday morning to help out with setting up.

#### MEMBERSHIP

We welcomed three new Temporary Associate members at the July business meeting. Welcome to Phillip Joy, Kevin DeChambeau and Joseph Magliarditi. We also voted in a new Junior member, Jason Connell. We had one new reading for a new Charter Membership for Sandy Rogers.

#### KITCHEN

Thanks again to Lorna and Mike Vasapollo for the great meals they have been serving us before our meetings. Thanks to Kevin Provost for the kale soup he provided. Lorna announced that John Diloretto will be back in the kitchen now, preparing dinners before the Directors meetings. Welcome back John, good to see you again.

#### TRAP

Walter Potaznick announced that Paul Clark will be running a "Five Gallon" trap shoot on Sunday August 3 at 10:00 am. There will be four prizes of \$25.00 each, which we hope will be enough to buy you five gallons of gas.

#### FISHING CONTEST

Mike DiBlasio reported he had a new entry for our club's fishing contest, Kevin Provost brought in a slip for a 25lb. striper. Let's get going with the fishing guys! There are a lot of categories with no entries at all yet. We don't want John to sneak a minnow in just to get a prize!

## AROUND THE CLUB

We are looking for volunteers to paint the gable ends of the clubhouse. If we don't get any volunteers we will start looking to hire a contractor to get the work done. Please contact Bob Phillips if you can help out.

The update of club policies and the By-Law booklet has been completed. Bob Phillips had 100 copies of each new booklet printed and they are now available at the clubhouse for members. Thanks to Jerry Snuffer, Chuck Francis and Bob Phillips for all their time and effort to research, update and edit these important club documents.

## ROAD PAVING

We are trying to get estimates to have the club entrance road repaved with re-processed asphalt (this is the ground up material you get when you grind up an old asphalt roadway). The estimate should be for delivery, grading and rolling a road 2200 feet long by 14 feet wide by 6 inches deep. Contact Bob Phillips if you know anyone interested in doing this work.

## COWBOY ACTION SHOOTING

Chuck Francis is forming a committee to set up a proposal for introducing Cowboy Action Shooting at Standish.

Anyone interested in getting on the committee or finding out more about the sport should contact Chuck..

## CLUB AUDIT

Thanks to Chuck Francis and Jennifer Laflamme who have volunteered to do this year's club audit. All committees are reminded to have their paperwork up to date so the club audit will proceed quickly and smoothly.

## JUNIOR ARCHERY

John Brennan reported the Youth Archery will start up again in the fall on September 10. Applications are available at the clubhouse on online at the club website. Completed applications can be dropped off at the clubhouse. John is also looking into setting up an adult archery shoot, watch for future details.

## OUTDOOR ARCHERY

John Brennan gave us a presentation and showed us a model of a proposed archery shooting stand/ platform he has offered to build for the club. The initial proposal calls for shooting stations at heights of 4 feet, 8 feet and 12 feet. The platform would be located to the right of the clubhouse in the pine grove where we have our outdoor archery lane now. Contact John Brennan if you have any comments, questions or suggestions.

Respectfully,  
Tim Santry
